PREPARED FOR HURD AUTO SALES · BLACK ROCK, CT

WEBSITE · CRM · GROWTH

Your next customers are already *looking online.*

Proposal

A site that sells, a CRM that follows up, and a package that pays for itself with one extra win a year.

THE OPPORTUNITY TODAY

- Domain/site presence is broken or outdated: shoppers can't find current inventory
- No searchable inventory online (sample listings shown in the demo)
- Financing story ("no credit / bad credit") isn't sold clearly on the web
- Leads arrive by phone, with no CRM follow-up trail
- No online way to enquire, schedule a visit or start a pre-approval

WHAT YOU GET

- **Website:** 3 bespoke themes (Finance First, Harbor, Atelier); home, inventory, vehicle, financing & visit
- **CRM:** lead pipeline, follow-ups, inventory & trade-ins
- **Financing flow:** pre-approval form to the finance desk
- **Car finder & "we buy cars":** enquiry forms that land in the CRM
